KAYINGA ESTATE

LANGHORNE CREEK

This fine wine has been made to celebrate "One Hundred and Ten" years of Lifesaving at North Steyne and provide for the enjoyment of members and their friends.

Together Enjoyment, Friendship and Service, have all been the ingredients of success for as long as "the Club" has existed, diligently saving lives and helping shape the traditions of Life Saving in Australia.

KAYINGA ESTATE 2014 SHIRAZ

Blended from select parcels of the Kayinga Estate Vineyard at Langhorne Creek to bring you this full flavoured Shiraz. Typical regional characteristics have been accentuated with the use of American Oak during the wine making process. The wine offers a tantalisingly fragrant blackberry, vanillin and light liquorice bouquet that is sure to delight. Tangy plum and black cherry notes accompany an elegant undertone of dark chocolate and subtle oak layers that join together to deliver an intensely flavoured Shiraz. The finish is soft tannin with excellent length. Allow the wine time to breathe, then enjoy with a vintage cheddar or char-grilled beef. Cellaring will reward.
