Vale

Sincere sympathies to all members and their families who have suffered the loss of loved ones this past season.

Steve Garth - September 1962 to Sept 2022

Steve was a Nipper parent and member of the Club from the mid nineties for 12 years. He was one of the original parent group/age managers who helped restart Nippers at the Club. His son Mitchell was a Nipper's Junior Surf Life Saver of the Year and very able Nipper and junior competitor. Steve was also a long term member of Queenscliff Boardriders Club (QBC).

Dennis (Denny) Foster - October 1950 to March 2023

Denny was a member from 1995-2005. He will be fondly remembered by many around the club as a regular helper, Nipper's Age Manager and all round "good bloke". In particular his cheery disposition and stature made him the ideal candidate to "play" Santa for the Nippers every Christmas. Denny is survived by his wife, Clare, daughters Niki, Salley & Terri (all past NS Nippers/club members) and son, Mathew and their families.

Warrick Hills - February 1971 to May 2023

Warrick was a member of North Steyne from 2004 to 2016 and patrolled for 9 seasons between 2004 and 2012. Warrick obtained his bronze in 2004 and gained his IRB crew (2007) and IRB Drivers (2008) followed up by his Silver Medallion Beach Management in 2010. Warrick was a keen surfer, musician, motorbike aficionado and great bloke. Warrick was a valued member of Patrol 8 and was part of the patrol that won the Patrol of the Year in 2009/2010. During his time with North Steyne Warrick was also a Nipper dad for his children Toby, Emma and Abigail.

Our Charitable Purpose

NSSLSC is a charitable community based service organisation. NSSLSC is located within the Sydney Northern Beaches branch of Surf Life Saving New South Wales and Surf Life Saving Australia.

NSSLSC is established for the Objects to:

- a. study, teach, promulgate and practice the methods of surf lifesaving;
- b. minimise loss of life and injury by providing surf lifesaving patrols and equipment for the purpose of rescues, resuscitation and first aid;
- c. foster, promote and encourage community service and sporting competition through surf lifesaving;
- d. conduct carnivals, competitions and social functions for the benefit of NSSLSC;
- e. pursue and manage funds to promote these Objects including sponsorship, fundraising, investments and marketing opportunities;
- f. promote applicable national, state, branch and NSSLSC standards, policies, procedures and techniques for aquatic safety and lifesaving;
- g. act at all times in the interests of its members and surf lifesaving; and
- h. carry on any activity, whether directly or indirectly, which aims to enhance the interests of its members and surf lifesaving.

Club Achievements 2022-2023

- No lives lost whilst on patrol for the 116th year in a row.
- Assisted in the hosting of the very successful 2023 NSW Surf Life Saving Championships which brought 6,000 competitors and 20,000 visitors to our beach.
- First female, Deb Foote, elected to Life Membership.
- Former President, Frank Traugott, elected to Life Membership.
- Held a very successful fundraising event at the Balgowlah RSL and raised over \$7000 for our Club while dancing away to the great tunes of The Interceptors.
- Welcomed 33 new Bronze Medallions and 15 new SRCs to our patrols.
- Hosted the Beach Stormers event in November 2022, and the NSW State Selection Boat Carnival and R&R Carnival in January 2023.
- Our Ripper Nippers competed with great enthusiasm and came top of the table in the NSW Inclusive Championships.
- Success at the Australian Championships for Sarah Lally with a BRONZE, 30-39 Female Champion Lifesaver, and SILVER, 30-39 Female 2km swim, and Eva Haughton, SILVER, U14 Female Surfing.
- Nippers All-Age Board Relay team placed 4th at the NSW Junior State Championships.
- First Nippers Program held on Gaza Beach coordinated by North Steyne trained Mohammed Saleh and Hasan Alhabil.
- Raised \$5,000 for Gotcha4Life with the 24-Hour Row, assisted with the Northern Beaches Fun Run, and we provided an IRB crew at the Bobby Memorial Ocean Swim in Manly as part of the Australian Queer Aquatics Festival.

President's Foreword

Another season at North Steyne SLSC has come to a close and what a busy season it has been. Along with our usual duties and activities, we hosted several major events including the NSW State Championships which brought 6000 competitors and 20,000 spectators to our beach. After 2 seasons of uncertainty, North Steyne was back in full force and I think we are all grateful that it was a relatively normal season which was not significantly disrupted by COVID or weather.

It takes a lot of volunteer time and effort to do what we normally do, and we know that all the extra activities add additional pressure on all our members' time. I would like to thank every single one of our wonderful members for your contribution and making North Steyne a can-do club. Whether you are part of the Nippers program, helping with the BBQ, competing, patrolling or sweeping the hall, our members are our core reason for being and enable us to perform our important community service. We greatly appreciate your choosing to be part of the North Steyne family.

Once again in our 116-year history, there have been no lives lost whilst on patrol. Thank you to all our great patrolling members who put in the training, the teamwork and the time to ensure all visitors to our beach were kept safe and out of harm's way.

I would like to thank all Directors for their great work over the season. It takes a lot of time and effort to run a surf club and it is volunteers who do the heavy lifting to ensure our operations run smoothly. Special recognition goes out to Jack Sutherland, Deputy President, for his continued service to the Club for almost 70 years. I would also like to thank Dan Hillier for all his work with administration, and Shannon Job for keeping a watchful eye over our finances.

We said good-bye to our Administration Manager Cath Hillier at the close of last season, and I would like to thank her for all her hard work in that role. We welcomed Tara McKnight to the role, and she has fit right in and is doing a great job for the Club.

Our AGM in 2022 was very special as we awarded Life Membership to Deb Foote and Frank Traugott. Deb and Frank are 2 very deserving individuals who have both dedicated countless hours to our Club. Deb is our first female Life Member and I can't think of anyone more deserving to have this honour.

In November we held our major season fundraiser at the Balgowlah RSL. We raised over \$7000k for the Club. Special thanks goes to the Interceptors, organized by club member and stellar guitarist Roger Brant, for donating their time to make

the night a success. Of course, as well, a massive thanks to Claire Oxlade for organising such a great event.

Our busy program for the season included hosting the Beach Stormers event in November. We then hosted a NSW State Selection Boat Carnival in January. With 90 crews competing from all over the State and beyond, it was an action packed event. Thanks to Alex Salier for leading the charge on this. We also held an R&R Carnival in January which ran very smoothly under the guiding hand of Sarah Lally.

The NSW State Championships ran for 3 weeks in February/March and our beach was the centre point for most of the competition. Thank you to all those who volunteered and lent a hand during the event. Whether on the BBQ, behind the bar or helping on the beach, we greatly appreciated all your support! We certainly fed a lot of hungry people and we have smashed all BBQ records for the most sausages served. A special thanks to Surf Life Saving NSW, Queenscliff SLSC and the Northern Beaches Council for their teamwork to ensure this event was a great success.

Our competitors did us proud this season. Under the guidance and encouragement of Coach Tom, our Nippers had some impressive results including

a 4th in the All Age Board Relay at the NSW Junior State Championships. Our Ripper Nippers competed with great enthusiasm and came top of the table in the Inclusive Champions. Our Surfboat Masters Women finished 1st in the Super Vets Category in the George Bass Surfboat Marathon. At Aussies in Perth, we had a very strong team and congratulations to Sarah Lally for a BRONZE in Champion Lifesaver (30-39 years) and a SILVER in the 2km swim (30-39 years). Also congrats to Erin Colwell for getting a BRONZE in 2 km swim (30-39 years).

Our Ocean Swim was held on Sunday, 16 April and we had a great turnout on the day. It was so good to be holding it again, and thanks for Jodie Frazer for all her hard work in organising the event.

The flags come down on ANZAC Day which is a special time to remember those who served and reflect on just how lucky we are. Our IRB Captain, Major Dave Guthrie, laid a wreath on behalf of all our members at the Manly Dam Dawn Service.

Our awards night in May wrapped up the season. The mighty Patrol 11 won the coveted Patrol of the Year for all their outstanding efforts over the season. Our Club Person of the year was Kyra Jenkins who spent countless hours conducting training, ensuring we were compliant, and just being around the Club to lend a hand.

In the wider community, we raised \$5000 for Gotcha4Life with the 24-Hour Row (thank you, Ally Stirling!), we assisted with the Northern Beaches Fun Run, and we provided an IRB crew at the Bobby Memorial Ocean Swim in Manly as part of the Australian Queer Aquatics Festival.

I am also very pleased to report that a trial Nipper's Program was held in Gaza, and because of its success, Nippers will commence as a regular activity on Gaza Beach in June 2023.

This is my fourth year as President and I don't think we have ever been busier. To our key sponsors the Balgowlah RSL, Manly Lions, and Wynstan, our Patrons James Griffin, David Hay and Jean Hay AM, and Des McAteer, our members, the Council Lifeguards and to all my fellow Directors, thank you for your support, your time and hard work! Our Club is a special place and it is only by working together that we can continue our strong tradition of serving the community on North Steyne Beach.

Chris Gibbs Stewart
President

Deputy President's Report

There is no doubt that the 2022-2023 season has been one of our biggest yet, and despite some difficult circumstances with weather, it has really been outstanding.

Not only have we strongly bounced back with our patrols after the ups and downs with COVID, but our members pulled together to participate in and run a number of very successful events. These included the Gotcha4Life 24-hour row, the Beach Stormers beach event, a Surfboat and R&R carnival, the Fun Run and our Ocean Swim was back. We also helped to host the NSW State Championships which ran over 3 weeks, and we pulled out all stops and worked hard to welcome thousands of competitors and visitors to our beach.

Thank you to all the volunteers who put their hands up for all these events. It takes a tremendous effort to run all these activities, and we greatly appreciate everyone's contribution.

A special mention goes to all the BBQ A Teams – the (original) A Team, the A+ Team and the AAA Team. These teams help tremendously when it comes to the BBQ and are made up of older members, many of them our Life Members. These teams have taken the burden off our active members and 3 out of the 4 Sundays of the month are there cooking up a storm.

I would like to encourage the formation of 1 more team, perhaps made up of some Distinguished and Outstanding members. Having 1 more team would make this important fundraising activity even stronger and further reduce the burden on our active members.

While the teams are very important for the BBQ, so too is the organisation and coordination of it. I would like to give a big thanks to Claire Oxlade, our General Activities Director, who is doing an outstanding job at this and is at the Club almost every Sunday, even in the winter, making sure the BBQ functions smoothly. She is helped by Eve Killick in this responsibility, and I would like to thank her as well.

I would also like to thank Jodie Frazer for picking up the organisation of our Ocean Swim at short notice. This was a very successful event, and it was good to see it running after a 3-year COVID hiatus. Well done to Jodie and the team for staging such a great swim.

I have been at North Steyne for almost 70 years and have seen many things change over that time. But what remains the same is the spirit and determination we have to serve our community and a team of great people that ensure we do this with outstanding success. Long may this continue.

Jack Sutherland
Deputy President and Life Member

Secretary's Report

After a rough couple of years this season saw the return to almost normality. That is, we have had almost normal patrols, beach attendance, and weather post the pandemic restrictions. This year also saw a number of firsts for the club throughout the season.

North Steyne elected two new life members at the last AGM. Both of these members are long serving patrolling and Board members, who have both filled many roles across the Club for a significant period of time. Our new life members are Frank Traugott, and our first female life member, Deb Foote. Congratulations to both Frank and Deb for your well deserved recognition of service to North Steyne SLSC.

It was a running start to the new season with a successful gear inspection being completed in late August and patrols starting shortly after with a renewed energy post the previous year's challenges. Well done to Jack Watt and Dave Guthrie for facilitating our core Lifesaving function this season. North Steyne was back to doing what we do best, patrolling our stretch and ensuring the safety of our community members enjoying their time at the beach.

From a Board perspective, we welcomed new Board member Lachie Van der Pluijm to the portfolio of Director of Education and a returning Board member Shannon Job to the Treasurer's role, as well as some shuffling of the deck chairs with Frank Traugott moving on from the Secretary role.

The season had started and we were ready for anything.

However, the last few years of uncertainty during the pandemic has had an impact on our membership, and volunteering in general, which resulted in a reduction in our membership retention which was slightly down on previous years at 809 members, a return rate of 94.84%, which is still healthy and will no doubt bounce back.

North Steyne	2022/23	2021/22	Member Retention (%)
Nippers (5-13 years)	306	320	95.63%
Cadets (13-15 years)	37	30	123.33%
Youth (15-18 years)	31	51	60.78%
Active (18 years and over)	110	130	84.62%
Life Member	21	18	116.67%
General	258	245	105.31%
Award Member	6	8	75%
Reserve Active	5	5	100%
Long Service	31	30	103.33%
Past Active	1	3	33.33%
Associate	0	7	0%
Honorary	1	2	50%
Non Member Participants	2	0	0%
TOTAL	809	853	94.84 %

During the season the North Steyne Club house saw another first, the expansion of our bar licence, which will allow the Club opportunities to grow event capabilities and plan ahead to our redevelopment. Thanks to Paul Mathew and Frank Traugott for working through this process and the successful delivery of the new licence. Further, the plans for our building renovation continue to be discussed with Council, and several reports have been reviewed and submitted with input and expertise provided by Brian Mariotti supported by Chris Gibbs Stewart and many others.

Nippers started on 16th October, however for some of our, keen to be back on the beach Nippers, went to their first carnival at Forster on the 1st & 2nd of October with some great results and engagement from parents to help organise and officiate, thank you to those who gave up their time to ensure these events where a success. The first local SNB carnival was held at Dee Why on the 23rd of October and the Nippers season was off to a flying start.

The Nippers team trained hard through the year and had great input from the Age Managers and Water Safety crews to make the season a

success which has seen their result continue to grow and improve. Well done to Jono Cowell on managing the challenges of Water Safety as well as Bernie & Hillary Burrows, Simon Herfort and the Age Managers for the effort in ensuring Nipper ran smoothly throughout the season.

Further, Nipper parents and Age Managers have stepped up their involvement and engagement with the Nipper's cohort this season, with a number of Age Managers now SRC qualified. This qualification has helped boost the level of Water Safety operators allowing the Nippers greater ability to get into the water and learn the skills needed to be future lifesavers.

Our Surf Sport cohort was back in business with weekly training and a multitude of carnivals this year across beach, water and boats for multiple age groups through to masters. Congratulations to our competitors for all your success this year and well done to Sarah Lally and Deb Foote for driving this portfolio to continue to grow and succeed.

The multiple North Steyne BBQ teams were back at it again this season with increased shifts across all "A" teams plus other collective areas of the club helping out. The BBQs this year were a great success with an increase in activity for carnivals, events and particularly the State Championships which resulted in a very successful financial result for the club. Thank you to our BBQ teams for all their hard work across the season and we look forward to seeing you back next year.

This season also saw the NSW State Championships resume under more normal circumstances, given the wash out from the previous year. A significant amount of work had gone into preparing for the State Championships by Club members with the hall again being used as the media and admin centre. Further, multiple areas of the membership worked together to make this event a success and great financial return for the Club. From our North Steyne work parties who helped do the heavy lifting in setting up the running track, including the large number of barricades outside the club and the flag pits, the BBQ teams managing the increased volumes of orders due to the large crowd numbers, Paul Mathew and Claire Oxlade organising the Club bar to be staffed and available to cater for the event over the extended competition period. It was a huge effort and a fantastic result for the Club, well done and thank you to all involved.

In a first for a few years, after large surf or torrential rain stopping it, the North Steyne Ocean swim was back this year with a late rush to get it up and running. Thanks to Jodie Frazer for facilitating the swim and turning it into a great success for the Club with excellent participation.

Our next first, this year North Steyne entered the

realm of Hollywood, with some of our experienced IRB Drivers and Crew ensuring water safety for the "Fall Guy" film at Manly Dam.

North Steyne Club administration was again busy this year and another first Tara McKnight joined the club as our new Administration Manager, welcome aboard! Tara has taken on the role from Cath Hillier. Thank you Cath for all your help in streamlining the many functions within the Club.

A big thank you to Tara as well for all her assistance this year in managing the administrative functions needed to make the Club run smoothly and your input and corralling of the Annual report and preparations for the AGM.

Board meetings this year were well attended with options for in person and zoom used throughout the season in an effort to assist members participate and engage.

Director	Board attendance Maximum = 11
Chris Gibbs-Stewart	10
Jack Sutherland	8
Dan Hillier	10
Shannon Job	7
Lachlan Van der Pluijm	10
Claire Oxlade	8
Bernie Burrows	11
Jack Watt	10
David Cowell	10
Sarah Lally	7
Jodie Frazer	10

I would also like to thank Assistant Director, Sophie Egden, who has been a fantastic support in terms of engagement with all the Board functions and multiple requirements including reviews and inputs of Club documents, compliance, preparing and cross checking minutes, agendas and reports. Sophie worked with me throughout the season to ensure the Secretary function was well managed and the deliverables were provided for the Board.

Further I would like to thank all our Board members for giving up their time to engage with the strategic and day to day running of our club. Without your involvement the Club would not function.

See you on the beach!

Dan Hillier
Secretary

Education Director's Report

This season was busy for the education team and the Club with a broad offering of courses available to new and current patrolling members. In addition, this season was the first since the start of the pandemic that we returned to live demonstrations of all assessment tasks across all of the awards.

As my first season as Chief Training Officer I was particularly proud of the number of members who up-skilled this season and took on the challenge of gaining a new award. I would particularly like to recognise the members who completed multiple new awards in the course of this season.

Surf Rescue Certificate (SRC)

The Surf Rescue Certificate is the first award that younger members can attain to begin patrolling the beach in their red and yellows. This award is usually undertaken as candidates are U14 and represents the end of the nipper's journey as they move into the cadets' program. This season we had 15 younger members complete their SRC. A special thanks must go to Jo Cooper and Jodie Frazer for all of their efforts and time with this group.

It was impressive to see the skills both in and out of the water attained by these young members. In addition, during their training it was impressive to see the positive comradery between candidates and their positive attitude towards one and other.

As our future patrolling membership, I am confident and excited about the years ahead on the beach for North Steyne.

In addition, this season we had 8 adult candidates attain their SRC so that they can support water safety within Nippers and Youth programs. Thanks for this must go to Simon Hertford and Jono Colwell.

I hope you can join me in congratulating all of these members on completing their SRC.

Bronze Medallion

The Bronze Medallion is the entry level lifesaving qualification and provides the basic skills both in and out of the water for patrol operations, as such this is our most important award.

After the difficulties in running in person training over the last few seasons, this season was the first we were able to return to two annual bronze courses. A total of 33 bronze candidates completed their bronze this season, which will help to strengthen our patrolling numbers. These courses were run with a mix of members who were new to the club and members upgrading from the Surf Rescue Certificate.

Being personally involved with both of these groups it was impressive to see the dedication and the positive attitudes that these candidates brought to training. In particular, the teamwork displayed across the diverse candidature bodes well for these members being on patrol.

In addition to our two standard courses, this season an additional 4 members completed a return to bronze course and re-attained their Bronze Medallion after a period away from Surf Lifesaving. Thanks to Frank Traugott for working with this group and helping to update their skills to the latest course outlines.

Congratulations to all of these members for their efforts in completing their bronze and I look forward to seeing you all on the beach.

Higher Awards

Advance Resuscitation Techniques ('ART')

This season, a new award the HLTAID015 was introduced to supersede previous advance resuscitation awards. This

new course has been designed around best practice learnings for effective response to life-threatening respiratory and circulatory emergencies. A larger focus has been placed on practical tasks, including the use of bleeding simulators. The course is one of the more challenging courses offered in the SLS emergency care pathway and it was great to see so many members interested in taking the course.

We had a total of 22 members complete this new award, which will allow these members to bring new capabilities and skills to their patrols.

IRB Awards

The IRB is the most commonly used rescue tool across surf lifesavers in New South Wales and greatly increases a patrol's ability to respond to emergencies. The IRB is particularly useful for longer distance rescues, Search and Rescue operations and responding to marine creatures.

The IRB Crew Course equips candidates with the skills to crew an IRB across a variety of surf conditions. This season we ran two IRB crew courses with Richard Donaldson, Kyra Jenkins and Dave Guthrie all being involved in training, and 6 members attained their IRB crew certificate.

The IRB Drivers Course extends a crew person's skills to include driving an IRB in a range of surf conditions and covers other skills such as search patterns and maritime laws that are vital to effectively using the IRB. All patrols on the beach need an IRB driver, and hence it is a very valuable award. This season 4 members completed their IRB driver qualification.

First Aid

Providing First Aid is a vital skill on patrol and a major part of what we do on the beach. The First Aid course provides members with a broader skill set to treat a wider range of injuries. In addition, the First Aid Certificate has become more important as it is now a prerequisite to complete the ART award. Members are required to complete the

First Aid course every three years to stay current. This season 30 members obtained the First Aid Certificate.

Other Awards

The Silver Medallion Aquatic Rescue award covers advanced search and rescue techniques, navigating difficult marine environments and complex rescues. This course was completed by 2 members this season.

The Silver Medallion Patrol Captains award supersedes the previous Beach Management award held in previous seasons. This is the prerequisite award for becoming a patrol captain. Due to the change in course there were few opportunities for members to participate this season, however we have multiple members enrolled to complete the course over the winter.

The Rescue Watercraft Operators award covers the operation of RWCs (Jet Skis) for surf lifesaving purposes and can only be completed by members who are already qualified IRB drivers. This course is usually run over the winter and is very time intensive to complete. Congratulations to the two members who completed this award this season.

Proficiencies

Proficiencies are always a very busy start to the season and this year was no different. Through the hard work of our delegates and our trainers we were able to run sessions across the first half of the season and have the vast majority of members proficient and ready to patrol for another season. In addition, thank you to all of our patrolling members who took the time to come down to the club and complete their proficiency.

Compliance

Our training and education this season complied with the Vocation and Education Training (VET) requirements as dictated by the SLS governing bodies. The broader education team met for a panel meeting and the re-endorsement process was followed for all trainers. In addition, all gear was inspected and passed the pre-season gear

Trainers and Assessors

Our training would not happen without the dedication of our trainers and assessors in the Club. Particularly the quality of candidates that have been presented to assessment this season is a testament to the quality of teaching from our trainers. Thank you to the trainers for all of your time, effort and dedication to training our lifesavers.

This season we have had the opportunity to expand the education team, we have had two previous trainers re-endorse to return to training and have had three members undertake the Training Officer Certificate to start training groups. In addition, many of our current trainers expanded their skill sets this season, three trainers were endorsed to teach the new advance resuscitation award, and one trainer became endorsed to instruct both the IRB crew and IRB driver award.

Training has been one of the most rewarding things I have done personally within surf lifesaving, and I would highly recommend it to anyone who is considering it. The Club and the Branch are always willing to support new members attaining their training officers award and if you are interested, I would recommend speaking to one of the current trainers.

The other part of running courses is assessing. Thank you to all of our assessors who gave up their time to attend assessments across the Branch. We as a Club are required to supply assessors for every assessment that we present candidates, and without your efforts we would be unable to present candidates.

Overall, this season has been highly productive in the education space, and I can confidently say that we have increased the skill set across our members to patrol the beach. Next season I would encourage everyone to get involved in a new award and learn new skills for both on and off the beach.

Finally, a special thanks must go to my assistant Kyra Jenkins. Kyra has been an excellent source of guidance as a previous Chief Training Officer and has been involved in all of the training across all of the different awards, turning up to every course enthusiastic and with a smile.

Lachlan Van de Pluijm

Club Captain's Report

Season 2022/2023 will certainly be a year North Steyne can proudly look back on. From continuing to adapt our practices, to helping with the SLSNSW Flood Relief effort, or providing water safety for events, the North Steyne Lifesaving team has risen to all this season's challenges.

As my second year as Club Captain, it has been a privilege to support our incredible volunteers to deliver top quality lifesaving services. This season saw the return of tourists and crowds, with challenging conditions constantly pushing our patrols and showing the quality of patroller we have at North Steyne.

The team's major focus this year was to build off last year and deliver systems which help volunteer satisfaction when lifesaving at North Steyne. We were successful in innovating our patrol storage systems by optimising the layout of our IRB shed and saw our grant purchases put to good use with the addition of a patrol marquee and umbrellas. The panel also introduced a new technology called Swapsea, which helped our volunteers better connect with each other when trying to find substitutes.

More hands make lighter work. The Lifesaving Panel this year consisted of Dave Guthrie (Assistant Club Captain), Jon Holman (Lifesaving Advisor), Emilie Morris (Lifesaving Advisor), Emma Winter (Lifesaving Advisor), our 14 Patrol Captains and me. This fantastic team deserves a huge thank you for their efforts this year. Together, we held consistent discussions on both operational and strategic matters to make sure everyone within lifesaving was working towards a single goal.

As an emergency service, Surf Life Saving will progressively be utilised more in emergency response functions in future seasons. As a Club with a proud history and reputation within lifesaving, it is important for North Steyne to equip the Club with the necessary tools and training to effectively respond to these situations. This season saw members, in particular Shane O'Neil and Dave Guthrie, give up their time to offer their support to SLSNSW operations in Western NSW during the flood crisis. Our call out team, and volunteers who stepped up to help out in extraordinary circumstances have the club's gratitude for giving up their time and showcasing the club's impressive personnel.

Additionally, the Lifesaving team helped with two new events to progress life saving practices at North Steyne. We were approached by a movie production company to help out with water safety

on a big budget film set. The experience was fantastic for those involved, our volunteers getting to ensure the safe practicing of stunt testing and live filming over several months. We also helped Kap7 with the Bobby Memorial Ocean Swim to kick off the AQuA Festival for World Pride Day in February 2023. Michael Altenburger and Craig Shadbolt supported both these events and deserve special praise for their efforts.

This season, our active patrolling members completed 46 rescues, 45 first aids and over 1,300 preventative actions (up from just over 100 last year). I am extremely proud that we consistently put together strong lifesaving teams and strived to exceed our minimum standards. I would like to especially thank our 24 volunteers who patrolled over 50 hours this season. These individuals consistently stepped up and helped with substitutions where necessary and always made sure our units were vigilant while patrolling.

A special thank you goes out to our fantastic Patrol Captains; Mark Stewart, James Townsend, Kyra Jenkins, Lachlan Van der Pluijm, Jeff Brown, Emma Hillier, Danny Gompes, Paul Mathew, Tim Platt, Neils Thelosen, David Cowell, Jodie Frazer and Jo Cooper, and Bernie Burrows. Another strong year from our frontline leaders who continue to set high standards for patrolling.

Finally, a thank you goes to the Assistant Club Captain Dave Guthrie. His dedication to constantly improving the IRB department in addition to supporting the wider Life Saving portfolio cannot be understated. I don't think I can remember many weekends where he wasn't down at the club either training, patrolling, doing maintenance or just saying hi to the patrol.

Overall, this season has been an absolute joy to be Club Captain. I am immensely looking forward to next season and what comes next for lifesaving at North Steyne.

Jack Watt
Club Captain

IRB Captain's Report

At the close of another patrolling season, the IRB shed continues readiness for emergency requests for assistance. There's the chance for some reduction in tempo and a few repairs here and there but on the whole, IRB activity continues.

North Steyne SLSC have maintained, and deployed, four operational IRBs on occasion this season to conduct patrols, support carnivals and surf sports training, as well as to training the next generation of IRB Drivers and Crew. It's encouraging to see the steady enthusiasm of patrolling members to join the ranks of IRB award-holders, extending their skills and challenging themselves to be rescue-ready in new ways.

The development of our members wouldn't be possible without the ongoing efforts of the Old Guard – trainers, assessors, IRBD and IRBC helping out with courses or upskilling through the season.

Particular mention this season should go to the few who earnt extra recognition at the End-of-Season Awards. Mark Stewart, Frazer Richardson and Sarah Lally all performed above-and-beyond in the 2022/23 season, supporting the Club in the full range of endeavours but also continually developing their own skills as IRBD, never considering themselves beyond improvement.

If you aren't already, consider becoming an IRBD or IRBC. The Club will continue to need individuals to reinforce the current cohort of IRB personnel at North Steyne so if you have a desire to build your skills, tackle a new challenge and have some fun in the surf, listen out for a call for nominations as we approach the next season.

For those of you who already do the job at North Steyne, well done and thank you for another great season. Though you may have more grease on your Patrol Shirt, you look even better to me. See you on the beach.

David Guthrie
IRB Captain

Youth Director's Report

The key goals of North Steyne's Youth portfolio aims to:

- Promote personal development and self-confidence among Youth members;
- Facilitate community involvement and volunteerism;
- Foster a sense of belonging and inclusivity;
- Provide educational and skill building opportunities;
- Advocate for youth-related issues and raise awareness.

Based on the achievements this season, the Youth portfolio has really smashed these goals. Our younger patrolling members were highly active this season, engaging in a diverse range of activities including patrols, educational training, group fitness sessions and surf sports competitions. Additionally, they offered water safety assistance and volunteered their time at Club and community events, showcasing their dedication to their community and their passion for surf lifesaving.

This season's membership numbers in the 13-15 years age group have increased by 137% compared to last season. However, the retention of older teens has decreased slightly, with only 41% of members in the 15-17 years age group returning (compared to 64% last season). This decline in membership can be attributed to a lower starting base as we had fewer Cadets coming through during COVID lockdown seasons. This situation has been exacerbated by scheduling conflicts with weekend employment, study commitments and higher-education opportunities outside of Sydney, affecting our older Youth membership cohort.

Youth skills development is greatly enhanced by education, and I am proud to announce that our Youth cohort have achieved several new awards this season. This includes 15 Surf Rescue Certificates, 24 Bronze Medallion Awards, 17 Provide First Aid, 4 ART Awards and 5 IRB Crew Certificates. I would like to extend my gratitude to all trainers and assessors who have contributed to their training programs. Also, a big thank you to parents and carers for their support in providing transportation, setting up, packing up, and rallying Youth members to attend training and assessments.

Prior to the season start, North Steyne SLSC accommodated a group of 12 boys and their supervisors from the Dubbo South Clontarf Academy. The group participated in a lifesaving skills day which was facilitated by our Club Captain, Jack Watt, accompanied by several Youth members to demonstrate board paddling, wave catching, CPR and first aid. It was a lovely exchange of skills which culminated in a very competitive (friendly!) beach touch footy game between both entities which we eventually called a draw. The boys from the Academy are looking forward to their next visit and a game rematch.

North Steyne also accommodated another Youth group from Torquay SLSC in December 2022. The group joined our Youth and Club members at the regular Sunday morning board training session and mentored our SRCs-in-training for the paddle-out. It was great to host the Torquay youth group that weekend and we look forward to paying them a visit in return in the coming season(s).

We have seen increased enthusiasm for surf sports from our Youth members again this season, with participation across water, beach, and lifesaving disciplines and representation at Branch, State and Aussies competitions. Congratulations to all our Youth competitors for your hard work at training and also to those that managed to bring home some "bling". In my eyes, you are all Black and Gold Champions.

Congratulations to Emilie Morris for her selection in the SLSNSW Youth Opportunity Makers (YOM) Workshop this season. She joins a legacy of North Steyne Youth members that have participated in this workshop and have gone on to leadership roles at North Steyne SLSC. No pressure then, Emily!

I would like to offer a big shout-out to all my helpers throughout the season, particularly those that have assisted with Youth training. This long list includes my Assistant Director, Jo Cooper, Kyra Jenkins for your help with SRCs, Bronzies and board training, Frazer Richardson and Oli Crofton for providing SRC water safety, Dave Guthrie, Richard Donaldson and Mark Stewart - for your assistance with IRB training, and Club trainers and assessors, Dan Hillier, Frank Traugott, Shannon Job, and Lachlan Van Der Pluijm – for your assistance with Bronze training and assessments.

Thank you also to our SRC Age Managers – Jeff Morris and Stu and Chris Crofton, and to Sarah Lally for your help with SRC board training. Your assistance to rally the troops again this season is most appreciated.

Lastly, I am immensely grateful to all our Youth members for your commitment to North Steyne SLSC. It's great seeing your smiling faces around the club and on the beach and observing your hard work and contributions, and I look forward to another fabulous season ahead.

Jodie Frazer
Youth Director

Junior Activity Director's Report

For those who can remember the good old days, we finally got around to having a traditional Nipper's season. Two & half seasons later, no COVID, no finishing the season early or starting late, no tsunami to stop a carnival, Parents could get back on the beach with their kids on a Sunday. At carnivals parents could watch all their kid's close-up. Finally, a little enjoyment!

The 2022/23 season kicked off in September with our pre-season weekend camp at Norah Head which was well attended with over 40 kids and 20 families making the trip. The camp included a beginner's group along with our experienced competitors. Over 2 days, coaches, Tom and Harrison, ran the water area while a couple of parents ran a beach area culminating in an interclub mini carnival on the Sunday. The weekend is a great way for families to socialise and for kids to make friends of all ages.

Sunday Nippers got underway as it should after the October long weekend running through till the Sunday 19th February, the weekend before the NSW State Championships were held on our beach.

Sometimes COVID created benefits; one of those was running proficiencies. After being blocked from using Manly pool for COVID reasons, we switched to the Freshie & Queensie ocean pools. Although a touch cold for the kids, it makes life easy, and we saved a bit of money to boot.

This season we had:

- Over 300 Nippers, U6-U14
- 9 Nippers who completed their SRC and joined patrols to become true Surf life Savers
- 260 Parents, 8 who obtained their SRC
- 30 Volunteers doing water safety
- 40 Age Managers
- 16 Carnival Officials, 9 in their 1st season

Not bad for a small club.

We continued our 9am start with no muster and kids going straight to an allocated station with U6-U8s combining to the south of the Club.

Sundays worked well with General Simon calling the shots on the beach, Jono drilling the water safety and his absence Jon Holman and Di herding the Age Managers. As usual, Hillary handled all the hard yards behind the scenes.

We ran 2 Friday twilight Nippers for some team building for the kids and a novel way for the parents to have a get together. Thanks to our bar staff Liv Pennie, Llew Jenkins, Sam Willis and Theo Stephens.

Once again, we were injury free which was a credit to Jono, but also to all those who provide water safety and do a great job for our Nippers. In particular, I would like to thank a group of SRC's who helped including Capucine Dequidt, Oskar Townsin-Brant, Kaea Phillips, Natasha Martinez, Emma Winter. Also, thanks to 2 old timers who show up for water safety, most Sundays, Shane O'Neil and Derrick Minihane, despite their kids having graduated from Nippers a long-time ago.

Each year we honour one of our Age Managers with the Chris Dooley Age Manager of the Season Award. The well-deserved recipient was Ronan Maguire, one of our longest serving Age Managers. Ronan has been an Age Manager for 7 years since his daughter Ciara first joined in U6.

At the end of each season, 2 of our Nippers are rewarded with a bike from Brookvale Bike Factory. It is never an easy choice as we had so many kids helping the younger Nippers, volunteering for BBQ's or just helping around the Club. This season we chose 2 very deserving Nippers, Addie Burrows, and Harvey Collins.

Nipper Awards Recipients

We were fortunate to have a great bunch of kids this season, and I would like to congratulate those who were lucky enough to win a Club award:

Male Beach Competitor - Caden Badstue
Female Beach Competitor - Zoe Anderhov
Male Water Competitor - Hugo Collins
Female Beach Competitor - Zoe Lancaster
No Guts No Glory Nipper - Aiden Wallis
Overall Best Male Competitor - Felix Stephens
Overall Best Female Competitor - Flori Pennie
Coaches Award Water - Charlie Colwell
Coaches Award Beach - Freja Badstue

Chairman's Award (girl) - Addie Burrows
Chairman's Award (boy) - Harvey Collins

Parents with Ambition

Some of our parents went the step further during the season and obtained their SRC. Congratulations to Adam Denmeade, Chris Boyd, Christopher James, Christopher Kane, Kate Jones, Martin Lam, Matthew Holt, and Matthew Morgan. Encouraged by what they accomplished; we now have a new group of parents who also want to do their SRC which is great to see.

Junior Club Captains

Eva Haughton and Charlie Colwell were our Junior Club Captains and were exceptional role models for our younger members. They completed their SRC and now patrol our beach. They also represented the Club at both Nipper and U15 carnivals, as well as the Aussie Youth Championships in Perth.

Further, they assisted in running the Balgowlah RSL meat raffles, which helped fund our Club and represented North Steyne at the Branch Junior LifeSaver of the Year (JLOTY). Both have given back to the Club that gave them an opportunity.

Congratulations to our incoming Junior Club Captains, Sienna Omondi and Tommi Crofton

Competition

Results only come from 2 things: great coaching and an athlete's dedication. I would like to acknowledge our great coaches, Tom & Harrison Bedingfield. Harrison joined his brother Tom as Water coach and the 2 have made for a great combination, especially at the big carnivals when there are multiple water areas. If you didn't know Tom was selected as the Sydney Northern Beaches Development Squad Water Nipper Coach. Congratulations, mate, that is very well deserved!

I would also like to acknowledge the 3rd key ingredient which is all the incredible Mums and Dads. Thank you for bringing your kids to training, carnivals and supporting North Steyne Nippers. The kids can't do it with you!

All-Age

6 years ago, North Steyne couldn't get an All Age Relay together let alone make the All Age Board relay NSW State final. A qualifying event that requires you to finish in the top 2 at Branch. Unfortunately, we came 3rd.

We applied for a wild card but got rejected. A couple of weeks later I ran into Tom and realising we were both gutted on missing selection, we hatched a plan. Tom used the good cop approach and luckily some dominos fell our way and we got a last-minute reprieve. Hey occasionally the sun does shine at North Steyne.

On the day we finished 4th just one wave behind 2nd & 3rd and a whisker off a medal.

An amazing effort by the team of:

U9 Hugo Collins

U10 Flori Pennie

U11 Milli Crofton

U12 Felix Stephens

U13 Kody Burrows

U14 Eva Haughton

Although these 6 were in the race, it was the 35 kids that trained who got 4th. Without all that teamwork it would never have happened.

State & Branch Results

At the Branch titles we finished 4th in the water and 5th on the Beach which brought us 4th place overall. At State we finished 18th on 58 points, placing us 4th on the Northern Beaches.

All our competitors were amazing and have my utmost respect. However, one is worth a special mention and that is Felix Stephens in the U12 boys. Felix did what no other competitor, I believe, has achieved, which is an individual Gold in the water and on the beach - all without doing his pet event, Beach Flags. In the Ironman final, he body surfed a monster wave, not once but twice. This was incredible to watch and the crowd cheered very loudly.

He achieved: 1st in Ironman, 1st in Board, 1st in 1 km Beach run, 3rd in 2 x 500m teams, 3rd mixed Cameron, Finalist Board & Beach relays.

What a great result and we are all very proud of him.

Officials

Being an official can be a thankless job, but it is necessary for our kids to compete. This season we are grateful to our long serving members Tim Laurence, Frank Traugott, Keith Abraham and myself who volunteered to officiate.

We also had some parents back up for a second season including Brad Collins, Ronan Maguire, and Rob Silver, as well as some newbies Ali and Liv Pennie, Christine Crofton, Andy Watt, Natt Turner, Chris Haughton, Erin Colwell, Kate Stephens, and Andrew Murphy.

Sponsors

Sponsors are integral to any sporting club and Nippers is no different. Nippers have been fortunate to have 2 have long term sponsors for almost 30 plus years, and I would like to thank Matt Grainger of the Manly Surf School and Andrew "Fritzy" Taylor of the Brookvale Bike Factory.

Matt outfitted our State Team with t-shirts and hats. Andrew Taylor has for the last 30 years donated 2 bikes to our outstanding girl & boy Nipper, the Chairman's Award.

Two other generous sponsors are the Balgowlah RSL and Manly Lions, both providing rescue boards and assisting with fundraising.

Thank you as every cent helps.

Mums & Dads

The Nipper team would like to thank every Mum, Dad and friend who pulled on the BBQ apron on a Sunday or at State. Special mention to those who

worked tirelessly at the State, filling the Nipper's rosters.

This included helping with setting up the beach for the Junior State Championships. This was very hard work and we lugged barricades in the heat over sand and no one complained. We greatly appreciate all your efforts.

Other Awards

This season I nominated my deputy, Simon Herfort for one of the Club's Senior awards, "Volunteer of the Year," and deservedly he was rewarded. Simon has done a wonderful job on Sundays and behind the scenes.

The Club also awarded the Sunday Age Managers with the "Best Team" award.

Sunday Nippers is a wonderful tradition and can only happen if parents chip in. We had a great bunch of Age Managers, and I hope more parents come forward next season.

Special thank you to my wife, Hillary who juggled all the admin, clothing, entries, proficiencies, Nipper's camp and end-of-season awards. She made sure every child, mum and dad knew exactly what was happening.

Lastly, special thanks to Tom Bedingfield who has made me feel extremely proud to be a North Steyne Life Member. Getting to watch the North Steyne All Age Board Relay team in the State final, of which my son was fortunate to be part of, will be an enduring memory.

Hopefully I will get to see it once more with some silverware.

Go the Tiger's!

Bernie Burrows
Junior Activity Director

Ripper Nippers

Fun, excitement, inclusivity and more fun this season as North Steyne SLSC Ripper Nippers were able to compete in the NSW State Inclusive Championships on our own beach. The Surf Life Saving NSW team, including Claire Bevis, and Sydney Northern Beaches Michael Wasley put together a fantastic event that saw 72 kids from 11 Clubs shine. Not only did the Black & Gold Team from North Steyne do us proud with our competitors achieving their personal best, but they also got out of their comfort routines and went home with several medals.

Their success translated into a souring score which saw our team finish in 1st place. Even more fun and exciting was the BBQ hosted by Lions Club of Manly, NSSLSC and SLSNSW for all competitors and their families. What a great way to celebrate over 10 years of our Inclusive Beaches Program!

Our Ripper Nippers provides up to 40 places through the generous support of Balgowlah RSL through the NSW Clubs Grant, Lions Club of Manly through a generous annual donation, fundraising and donations from members, families and friends of our program. Thirty-four (34) Ripper Nippers, their siblings and families enjoyed the season alongside their Nipper and Youth peers with families encouraged to participate.

Our Cadets continued to mentor, teach, support, act as water safety and be the familiar face each week on the beach.

With the fantastic support for our program from our Board, Club members and the individual dedication from Director of Youth Jodie Frazer, Jo Cooper and our Cadets, the Black & Gold Community continues to shine!

This season was again about inclusion, acceptance, participation, education, learning new skills, trying something different and always having fun!! With Sunday morning patrols, Rippers received hands-on experience with the equipment used on patrol, saw first hand how to be a lifesaver, practiced first aid and learnt about being safe both on the beach and in the surf.

Whilst those that competed in the NSW State Championships were presented with medals at the conclusion of the events, we are still to have end-of-season awards to celebrate everyone's achievements. The exciting news for next season is as well as the NSW State Championships being at NSSLSC again in 2024, there will also be events at Aussies to be held on the Sunshine Coast in 2024. This season will be huge!

David “the Shark” Cowell.
Ripper Nipper Facilitator

Marketing Director's Report

This season will be best remembered for the end to many restrictions, good weather and good conditions on our beach. This was evident with all the returning members and their families, as well as the commitment from our sponsors, donors and supporters that either returned to or were new to the Club. We saw the return of social events, held successful state titles, cooked up a storm on the BBQ, and staged the North Steyne Ocean Swim. It took all our great volunteers to show what can be done by the Black & Gold team to ensure the continued success at North Steyne SLSC.

Sponsors, Donors & Grants

New sponsor, Wynstan Blinds, Doors, Shutters & Awnings cast a tinge of pink over the Club, patrols and our competitors at Aussies. Thanks to one of our own members, Lara Husslebee from our female boat crew, Wynstan has partnered with NSSLSC for this and next season. With their banners on the Club and patrol tent, pink zinc on our members and the ocean swim competitors, we appreciate their support. Next season will see a new competitor's tent branded pink and water safety vests for our members. You will find member deals and discounts in our newsletter for your opportunity for home improvements this summer.

ResInc Solar, currently undertaking a solar installation on the roof, has provided in-kind sponsorship by meeting 50% of the costs. The Club should see a huge reduction in electricity bills, a smaller carbon footprint and the opportunity for our members to access their own roof top solar deal. All works will be completed shortly with member deals to be announced.

Manly Surf School has been a long-term supporter of our Club and this season provided the NSW State Championship uniforms for our Nippers. This was in addition to their continued support for our fundraising with surf school vouchers for raffles and volunteer rewards.

Balgowlah RSL has been a huge supporter since 1994 through the NSW Clubs Grants which assist our Ripper Nippers, Nippers and youth programs. They also support our Nippersthrough the Balgowlah RSL meat raffle 6 times a year with proceeds put towards equipment and Nipper programs. With the hosting of the North Steyne Ocean Swim, it was great to see the Balgowlah RSL return as the main donor to help cover the costs to put on this community event. The Wine Room, the Northern Beaches premium dining and wine experience, continued their support with vouchers for fundraising prizes, volunteer rewards and prizes for winners of the Ocean Swim.

The Lions Club of Manly is an extension of our membership through their generous donations

for the Inclusive Beaches Program and our Ripper Nippers. They also stepped in to help with our BBQs, as well as their BBQ trailer being on the beach for the SNB, surfboat and NSW State Championship weekends. Our two organisations have similar values and enable us to work together closely. You will soon see a Lions Club of Manly sunscreen station with our BBQs or patrols, and they will continue to support vital fundraising with volunteers at the Fun Run and Club events.

Brookvale Bike Factory has supported our Nippers for over 20 years with 2 bikes given to worthy Nippers at the end of season awards. In addition, 3 more bikes were donated for our fundraising activities. Andrew and the team were awarded

Trek Dealer of the Year and are keen to provide our members with a discount on your next bike purchase

Several special donations were given during the season by David Maguire and Kate Munro and the Cowell Family matching The Wine Room donation for the Ocean Swim prizes of Wine Room vouchers for the successful competitors and volunteer prizes.

We say goodbye for now to our friends at NED Australian Whisky and Bank of Queensland. We thank both companies for their generous support and wish them all the success that we have shared together, and look forward to partnering again in the future.

Building Grants

Work continues to be finalised with building repairs by the Northern Beaches Council and the acquittal of building grants with the completion of the Clubroom works, the painting of the hall and the southern boatshed. A huge thanks to Dulux for the free supply of paint through their Surf Club's Program, and to Hamish and the team at Everlong Coatings who donated the cleaning and repainting of the southern boatshed. There are works to be undertaken in the off season including the solar panel installation, which will reduce the Club's carbon footprint and expenditure on electricity bills. Thanks to our local Federal Member for Warringah, MP Zali Steggall OAM and ResInc Solar for making this possible.

Fundraising

Our Club raised funds throughout the season with the Black & Gold Raffle kicking off at last season's AGM and drawn at the Christmas Party. Congratulations to all our winners. As always, a huge thank you to our generous supporters and donors who contributed over 70 prizes. Special thanks goes to the continuing contributions from Artusi Appliances, Nutrimetics through Maree Bennett, Brookvale Bike Factory, Bennett Surfboards, The Wine Room, Dripping Wet, Manly Surf School and many others. The plan is to run 2 raffles next season being drawn in December and the 2024 AGM.

The Northern Beaches Fun Run saw almost 80 volunteers undertake many roles including course marshals, finish marshals, drink station helpers and the set-up and pack-down of the finish line for the event. It was great to see the Lions Club of Manly support our efforts as well as the breadth of our Club from Nippers to Life Members, families and friends which ensured that this was a great success. The monies raised are being used to support our Nippers, youth and education programs.

With no restrictions on the horizon, next season we plan to be hosting events at the Club with our sponsors and supporters. These events will be a great opportunity to showcase their support, for members to show their gratitude and for everyone to get to know each other within the Club and the broader community in which we operate.

Most importantly, a big thanks to everyone who contributed to the marketing and promotion of our great Club, grants submissions/ acquittals, donations and fundraising throughout the season to ensure our Club continues to be successful. A special thanks to Bastien Wallace who volunteered at last year's AGM to be Assistant Director of Marketing. With all the foundations that we have laid and our great volunteers, this coming season is going to be bigger and better than ever

See you on the beach!

David Cowell
Marketing Director

General Activities Director

The season kicked off with our preseason warm up party at the Balgowlah RSL. The Interceptors band, featuring our very own Nippers Dad, Roger Brant had us all on the dance floor and singing away. We raised in excess of \$7,500 for the club with generous donations of wonderful silent auction items from Club members and supporters. All funds raised going to the club to support our lifesaving activities.

This year has seen us settling back into a more normal season but still incredibly busy with life saving related activities. It meant that our BBQ has been in full swing supporting these events and I am delighted to say we have raised over \$85,000 just from selling a few snags and drinks. The BBQ continues to be one of our best fundraising initiatives.

Our three amazing A Teams continue to be the mainstay of the Sunday BBQ's and I'd like to thank all our older members who continue to give up their time once a month both on and off season. The A Team, The A Plus Team and The AAA team (they have even managed to recruit extra helpers during the season). The Training Group, including some of the younger members have been a massive help with additional BBQ shifts. We have been fortunate to have the support of the Lions Club of Manly once again who have helped out with additional BBQ's during our big carnivals, State Surf Champs and other events. This year we were delighted to present them with the A Team BBQ Shield for the most eggcellent BBQ Team.

We had a great turn out for our Annual Presentation Night at the Balgowlah RSL and congratulations to all the very worthy recipients of the awards.

It was so good to have the North Steyne Ocean Swim back in the calendar and huge thanks to all those who helped out with this event. Thank you to all the Nippers parents who have helped out in various ways with social related activities. I would like to thank Paul Matthew who once again has taken on most of the work in the Club Room as our Licensee. Thank you to all the new and existing RSA holders who have helped out so much in the Club Room this season.

We have finally managed to get most of the memorabilia up on the walls in the Club Room and now we are working on some more furniture to make it even more welcoming. We will be working on getting the memorabilia up in the Club Hall soon. Don't forget, as Club members you can hire out either of these venues for functions and events.

Like most not for profit and volunteer organisations, North Steyne relies on any sponsorship, both in financial as well as in kind donations. I would like to acknowledge and thank our sponsors who assist us generously in so many ways. The Balgowlah RSL supports us in many ways and the Lions Club have been wonderful with their support of the BBQ at our carnivals.

If you are interested at all in getting involved with events and social activities, please contact me. If you would like to propose a social initiative or fundraising event, please get in touch, I'd love to chat to you about it.

Finally I'd like to thank Eve Killick who has been my General Activities Assistant this season. Eve has been a huge help and keeps us all laughing with her great banter!

Claire Oxlade
General Activities Director

Surf Sports Director's Report

2022/2023 marks another successful season for the Surf Sports portfolio. This is now my third season as surf sports director with Deb as my second in charge, as well as my mentor, and we could not be prouder to represent you all at the executive this season. And what a season we have had. Unlike the previous seasons there was more sunshine than rain, resulting in lots of time on the beach. We welcomed new members and across youth through to master's we had members proudly wearing the black and gold at various carnivals this year.

Our Sunday morning training continued, plus the extra sessions over break and public holidays. The group continued to see ebbs and flows of members and the usual crowd who use this session not only as an hour of ocean therapy, but a chance to check in, see how each other are and celebrate our small wins for the week. There are a few people who I believe deserve a shout out for their commitment and just week in and week out showing up and overcoming some challenges. Phil, who joined us in the middle of winter from Darwin, without a wetsuit and never really navigated waves before, is now able to catch waves and even represented North Steyne at carnivals. Akari, another member who has just grown in confidence and skills in the water, same also with Rory. We have also welcomed Martin and Deep, recent SRC recruits who continued to show up and get out of their comfort zone. Surf Sports Team (Youth, Open, Masters)

In terms of competition numbers, we saw a growth in master's numbers where we converted some members into the Master's contingent – this growth was seen across all areas - beach, water and boats. Freshwater Masters did see us have 3 teams entered and always fabulous when the kids are the support crew for us. Branch Championships was held at Collaroy over three weekends with representation across Masters male and female teams where we managed podium finishes, earned the elusive Club points and continued to build our community. We have also seen a transition for some of our older Nippers who achieved their SRC and competed at Youth and Open Carnivals, SNB Fast Fives competition as well as Branch and State Championships, in particular for the U15 male team events.

Lifesaving Events

North Steyne continued to excel in Lifesaving with 12 Champion Lifesavers competing in Branch and 10 in State, in addition to the Open Patrol Competition Team.. It is always amazing to see the increase of youth participation, not only to compete and do well, but to build on their skills

for ultimately becoming more experienced lifesavers. Leo, Buanon, Capucine, Emma and Emilie, we are very proud of your performance and commitment this season.

Carnivals Hosted by North Steyne

North Steyne has built a positive reputation with State and Branch for hosting Surf Sports Carnivals. We are a small Club in terms of member numbers, but we always manage to run great events and I want to recognise that this has only been made possible by all our members. To each one who answered our call for assistance to make these events possible - on the BBQ, water safety, set up and pack down, first aid – THANK YOU.

This season we held the very first Beach Stormers event in the beginning of November, with the help of our youth competitors. It would not be a season without the Boat Carnival – and rather than just the one-day carnival, North Steyne hosted the State Selection Carnival. I want to importantly acknowledge Alex Salier for her continual advocacy and passion for Surf Boats in the SNB community. Not only does Alex successfully run the boat carnival, which is always a massive task, she is also a member of the Branch Board of Surf Sports. We also held the RnR component of the Manly Carnival and despite the Shark incident at Manly LSC that day, we were able to successfully run with RnR teams from all over the country.

Officials and Water Safety

Our successes at Carnivals would not at all be possible without the Club behind us – we require people to cover our patrols, officiate, do water safety, even the support crew who carry and transport the boards, tents, boats to and from the various carnivals. Kyra Jenkins, Luke Gordon, Antonio Remedies – special thanks for your time for doing IRB Water Safety for carnivals this season; at Manly Nipper Nats and Junior Branch Championships at Collaroy. Jodie, Jo, Keith Abraham, Deb, Frank, Joe Mastrangelo, Shannon, Chris Haughton – thank you for your time to officiate at various carnivals across the season.

Aussies 2023

This year, Aussies were in Perth with not a wave in sight. With a smaller number of competitors than previous years, we still had a successful campaign. Special thanks to Jono for being team manager for our youth team. There were some

great performances at Scarborough including Oli Crofton finishing in top 17 for U15 and Tomi Crofton top 32 for U14 in the country. Eva Haughton worked her magic on the minimal swell at Trigg Island and ended up on the podium with a silver. Our lifesaving team had another positive campaign at Perth finishing 7th in Open Patrol Competition. Of course, we cannot compete in the event without a patient, special thanks to Ron Van der Pluijm for doing this for us. Our Champion Lifesavers had a great campaign with some great results; Deb 7th, Harley 6th and Sarah 3rd.

Club Championships

Our Club Champs had a great turnout and the water conditions were perfect. This year marked the third time running the much-contested Patrol team relay with Patrol 11, under the leadership of Niels taking out the win. This event is becoming a great way to mark the end of the Surf Sports season. Thanks to Jono Colwell and Keith Abraham for their support with officiating, starting and water safety.

Special thanks to the Executive for the continued support this season for our Surf Sports Team. I personally would like to thank those who have supported me during this season. The alumni of the lifesaving team – Lachie, Kyra, Shannon, Jack and Deb – thank you for your advice and being my sounding board. The team members of the North Steyne Angels, Lou Lou and Erin – thanks for always having my back and being as excited, yet nervous to compete alongside me! Also, to Niels, Chris, Jono, Stu and Christine – thank you!

And lastly, thanks to Sienna and Sean for being my biggest supporters on the beach and in the water. Thanks to all the members for a wonderful 2022/2023 season. Stay safe and see you on the beach.

Sarah Lally
Surf Sports Director

North Steyne Surf Boats

This season the North Steyne Antiques, Defibrillators and Steyne Alive all did the Club proud.

Four of the North Steyne Antiques were first out of the blocks with the 10km Burleigh Griffin Gift in Canberra on the 1st of October 2022 with crew Kate Munro, Donna Wishart Kerri McEwan, Beverley Tilbury and sweep David Maguire. Conditions were chilly and wet and a perfect preparation for the George Bass.

Then the Steyne Alive crew consisting of Lara Husselby, Kate Munro, Bastian Wallace, Claire Ward and Sophie Egden kicked their season off with the North Curl Curl, Freshwater and Newport carnivals. Unfortunately, La Nina was hanging around, making some of the training and competition conditions more exciting.

On New Year's Day David Maguire, Gem Eastwood, Philippa Lowe, Kerry McEwan, Kate Munro, Steph Stoddart, Bastien Wallace and Donna Wishart began the 2024 George Bass Surfboat Marathon of 7 days of 7 legs from Batemans Bay to Eden. This was the 48th year of the event, and the crew encountered some tough conditions.

The North Steyne Antiques contested the female Super-Vets category, and were the only crew to row in fixed seats. Other crews expressed sympathy, thinking our row would be harder than theirs because of this. But our girls were prepared to handle the waves leaving and returning to shore, taking the race pin-up photo, as other crews struggled in rolling seats.

Race organisers and crews responded well to tough conditions, and the need to change the format for 4 of the 7 legs of the race. Cold wind, sunburned legs, shark sightings, bruises, support boat engine issues, and Bastien's fish-feeding efforts, didn't stop the North Steyne Antiques from setting race records for 3 of the 7 legs and bringing home a gold medal.

Then it was back to warmer conditions for Steyne Alive at the North Steyne Carnival in January with the Terrigal carnival in the first weekend in February.

La Nina had a last blast on Thursday the 9th of February, totally flooding out the ASRL Masters competition and forcing everyone to leave. Thankfully the crew was able to get some reserve racing in the following day, and raced well in spite of the disrupted format.

The SNB Branch Champs at Collaroy saw the first race for the North Steyne Defibrillators, made up of Dan Hillier, Richard Donaldson, Mark Stewart

and Brian Baker swept by Dave Maguire. They brought home gold in the 220 years. Steyne Alive raced masters and won the race but was disqualified for missing a gate can. A solid effort in reserve grade and good preparation for State.

State Titles saw all the training and hard work pay off for Steyne Alive, who became the 2023 New South Wales State Champions taking home a well deserved gold in masters 160 years women's division. The crew then backed up with a solid performance in reserve grade.

The North Steyne Defibrillators also put in a good performance in Masters in the 220 category.

All that was left was the drive across Australia to Aussies in Perth for David Maguire with a boatload of all the Clubs competition gear supporting the Nippers and lifesaving team.

Conditions at Aussies were windy and flat with a 'lovely' drop-off and occasional shore dump. North Steyne Alive competed well against all the State Champions from around Australia. A great 3rd and another 3rd put the crew in a good position for the final, but a 6th in the final heat left the crew 7th in Australia and out of the final. The crew then raced in the reserve division performing fantastic and making the elimination finals round for reserves. Wonderful to see hard work and dedication pay off for the crew and sweep.

Thanks to all the crews who did an outstanding job supporting the Club. The Boat Section contributed on patrols, BBQ duties, supported the NSW championship, fundraising, sponsorship, and IRB shifts.

North Steyne Surf Club - Annual Ocean Swim

The North Steyne Ocean Swim finally returned to the ocean swim calendar for 2023 after being put on hold for several seasons due to COVID lockdowns and unfavourable weather conditions. This event is highly regarded by those in the circuit as one of the best ocean swims, and its return was warmly welcomed by both swim participants and club members.

This year's swim had two courses. The first was the longer 2.8km swim that went south to Cabbage Tree Bay, turned towards Manly, and then headed back north to North Steyne's shores. The second was a 1km swim that started at North Steyne and went towards Manly before turning at a buoy and returning to North Steyne for the finish.

This year's swim event only allowed online entries to better manage swim administration, work party and water safety resources on the day of the event. The deadline for entries was 3 pm on Saturday. As a result of this decision, there was a surge in entries during the last few hours leading up to the deadline on oceanswims.com. As is now the norm, most swimmers wait until the last minute to register after checking the weather and conditions for the following day.

On the days prior to the event, the beach had been closed due to pollution from rain run-off which had put the event in doubt. Fortunately, by Saturday the sun was shining, the water had cleared up, and the event was given the green light. The waves were calm at North Steyne and the next day's swim forecast looked promising...

However, true to form, North Steyne's capricious nature took hold overnight and by Sunday morning, there were swirling rips, grey clouds, a few showers and a 3ft+ swell. The conditions provided some challenges with buoy placement and water safety, with a decision to adjust some of the 1km swim cans within 2.8km course. Most swimmers were not deterred by mother nature on the day, though a few participants chose not to back up their hardy 2.8km efforts with an additional 1km swim.

At 5.30 am on Sunday morning, our dedicated volunteers helped with setting up the beach, registration hall, and water courses. They placed course buoys and markers while Dave Cowell's set-up crew assembled pop-up tents and assisted with the finish funnel and sponsor banners and flags to add some vibrancy to the event. The beach was starting to come to life as everything took shape.

In the hall, past and present club member volunteers of all ages arrived at 6 am and very capably managed the registrations of 322 registered swimmers that were marked off, capped, tagged, numbered and ready for their wave of the swim. Thank you to all our regular and new helpers for your efforts both in the hall and on the beach.

Thanks also to North Steyne Nipper, Joel Colwell, for taking time out from the registration desk to deliver the Acknowledgement of Country just prior to the start of the first event.

Our reliable team of IRB drivers and crew, led by Richard Donaldson and overseen by Keith Abraham, did an excellent job of laying out the course. North Steyne's IRB Captain Dave Guthrie opted for a ski over an IRB this year and ably coordinated water safety personnel from the SNB Event Support Ski. Club Captain, Jack Watt, took on the important role of coordinating overall water safety from the beach, assisted by Branch-appointed SEMC James Crittenden.

Our First Aid crew attended 4 first-aid incidents on the day but all patients were released well and warm by the conclusion of the event. Thank you to Jo Cooper, Emma Winter, Anthony Kwan, Kyra Jenkins, Lachlan Van der Pluijm for your sterling efforts.

Despite the tough conditions, it was a great turnout for the event with 130 registrations for the 1km swim with 80 finishers and 192 registrations for the more challenging 2.8km swim, with 161 completing the longer course. It's no surprise that the 2.8km swim was more popular as it offers a chance to appreciate the beautiful underwater scenery around Cabbage Tree Bay.

Well done to all the swimmers who completed the courses and a big thanks to the water safety teams for ensuring a safe and enjoyable event. We received many positive reviews and are looking forward to hosting an even bigger event next year for our 23rd ocean swim at North Steyne.

The swim times this year were a little slower than in previous years, proving that water conditions can have an impact on competitive swim times. However, swimmers were reassured by the presence of our highly qualified and experienced water safety crew including IRB's operated by trained drivers and crew in the water, water safety personnel on rescue boards, and swimmers equipped with rescue tubes. All these measures were in place to provide safety coverage along the course and on the shoreline near the start/finish line.

The success of the event is attributed to all the dedicated volunteers who helped with various tasks such as setting up the water and beach areas, registering, tagging/de-tagging participants, cutting and distributing fruits, ensuring water safety, providing first aid, and cleaning up after the event. The swimmers expressed their gratitude to the volunteers during the event and I would like to extend a big congratulations to all of those involved to ensure the success of this year's ocean swim. The A-Team, who ran a fantastic BBQ, deserves special thanks. Thank you also to event MC John Kelly and also to Roger Harvey for supplying event photos.

Additionally, the Balgowlah RSL and its Directors, who served as the primary sponsor, are appreciated for their continued support.

I would like to extend a special thanks to Tara, North Steyne's Administration Manager, for all her efforts to expedite applications, rally suppliers and distribute prizes to the winners. Additionally, I am grateful for the support of past swim coordinator, Bernie Burrows, who was unfortunately unavailable to assist this year.

I look forward to seeing everyone at next year's swim and appreciate any suggestions or contributions to continue the success of the event.

Jodie Frazer
Ocean Swim Organiser

Congratulations to our winners this year:

1km Male Winners

Steve Boxall M50-59 15:22

John De Mestre M60plus 15:31

Duane Cannell M50-59 16:08

1km Female Winners

Mika Stockdale F9-19 18:45

Jessica Liardo F20-29 19:18

Jane Hinton F40-49 20:32

2.8km Male Winners

John De Mestre 60plus 40:02

Luke Schofield M20-29 40:2

Laeff Whittaker M20-29 40:53

2.8km Female Winners

Jeanette Brits F60plus 39:58

Chloe Bell F20-29 46:43

Alanna Hale F40-49 47:50

NOTICE OF THE 116TH ANNUAL GENERAL MEETING

SEASON 2022/2023

Notice is hereby given that the One Hundred and Sixteenth Annual General Meeting of the North Steyne Surf Life Saving Club Inc. will be held in the clubhouse on Sunday 16th July 2023 commencing at 11:00am.

AGENDA

1. Welcome by the President.
2. Apologies.
3. A minute's silence in tribute to the recent loss of members and friends within the surf lifesaving community.
4. Approval of the Minutes for:
 - a. 115th Annual General Meeting on Sunday 17th July 2022; and
5. Presentation and approval of the 116th Annual Report and Financial Statements.
6. Special Resolutions
 - a. Notice of Motion: - "Accept the proposed amendments to the constitution of North Steyne SLSC Inc as outlined in *"Attachment 1: Special Resolution - Constitutional change"*
Proposed: Shannon Job Seconded: Adam Traugott
 - b. Notice of Motion: - "That Shannon Job be elected to Life Membership".
Proposed: Deb Foote Seconded: Kyra Jenkins
7. Presentation of Awards.
8. Affiliation with SLS Sydney Northern Beaches Branch: *"That affiliation be sought for the season with Surf Life Saving Sydney Northern Beaches Inc. (Branch). Further, that the articles, constitution, by-laws, regulations and resolutions, together with the awards and equipment at the Branch, Surf Life Saving NSW and Surf Life Saving Australia Limited be accepted without limitation."*
9. Election and confirmation of Patrons, Directors (11), Assistant Directors (9), Judiciary Panel (4), Life Membership and Honours Panel (4), Rules Panel (4), Trustees and Auditor season 2023/2024.
10. General business (written advice required one week prior to meeting).

Nominations for Directors, Assistant Directors, Panels, and Trustees will be accepted in writing by the Secretary up until 11am on Sunday 9th July 2023. Nomination forms are available from North Steyne's Secretary & Administration Manager (admin@northsteyneslsc.com.au) and circulated with this notice. They are also available on North Steyne's website.

Members entitled to vote and stand for office are determined in Part 2 Section 5 of the North Steyne SLSC Constitution, consistent with SLSC Regulation 6.4 (to source - search SLSC Regulation 6.4 and download the PDF). Members entitled to vote under the Regulation are Active members, Active Reserve members, Long Service members and Life Members who are financial members of the Club.

Dan Hillier
Secretary North Steyne SLSC
0418 609 435

Treasurer's Report

I am pleased to present the Financial Reports for 2023 for North Steyne SLSC on behalf of the Board of Directors.

The Club had another strong financial year, posting a net surplus of \$45,745. This results in us increasing our accumulated earnings to \$665k (before special purpose funds). We have allocated additional savings to the Future Fund, bringing the balance to \$268k.

The Club has had extremely strong sales through BBQ activity led by Claire Oxlade over peak summer and the SLSNSW Championships hosted on our beach in late February. Our members have done an excellent job in supporting these activities as well as growing Income through our hosting commitments for SLSNSW and other local carnivals, running our first successful Ocean Swim since COVID-19 led by Jodie Frazer, and a record year in Function Hire of our hall and facilities.

Our financial discipline built last financial year has continued into F23, with the Board delivering a positive result vs our budget at the net surplus line, primarily through reduced spending. This yielded a \$47k improvement vs the budgeted result. The Board is managing a fine balance between disciplined spending to achieve savings versus overbalancing towards a chronic under-spend, and should monitor this throughout F24 to ensure high-quality, safe facilities are still being provided to the membership.

The Club is well-placed financially to improve facilities for its members and to make lives easier for our key volunteers. Several projects are planned for the 2023 off-season to improve the building and facilities; these will need ongoing focus from Directors and from key members to ensure successful outcomes and good value for money ready for the 2023-24 season.

This year, we have introduced reporting of North Steyne SLSC's carbon emissions from Scope 1, 2, and 3 activities per the global Greenhouse Gas Protocol (GHGP). While the figures produced at this stage are estimates only and have not been subjected to independent assurance, we have followed the GHGP's key principles for estimates and established a starting point on which to improve in future seasons.

Finally, I would like to acknowledge the contributions of: Tara McKnight as our new Office Administrator for F23, who has kept our financial and payment processes running smoothly as well as growing our function hire revenue; Philip Du, who has stepped up this season as Assistant Treasurer and overseen both Fixed Asset management and monthly Board financial reporting; and Trevor Lane as our Honorary Auditor for continual advice throughout the season and assurance over our financial statements.

Shannon Job
Treasurer

Notes to the Financial Statements for the year ended 31 May 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following explains the significant accounting policies that have been adopted in the preparation of the financial statements. Unless otherwise stated, such accounting policies were also adopted in the corresponding reporting period.

General

The financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the Australian Charities and Not-for-profits Commission and *Charitable Fundraising Act 1991*. The board has determined that the club is not a reporting entity. North Steyne Surf Life Saving Club Inc ("NSSLSC") is a not-for-profit entity for the purpose of preparing the financial statements. NSSLSC is an Association incorporated in NSW, operating under the *Associations Incorporation Act 2009*.

The financial report has been prepared in accordance with the requirements of the Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australia Accounting Standards and Interpretations issues by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretations of Standards', and AASB 1054 'Additional Disclosures' as appropriate for not-for-profit oriented entities.

Basis of accounting

The statements have been prepared on an accrual basis and are based on historic costs and do not take into account changing money values, or, except where stated, current valuations of non-current assets.

Critical Accounting Estimates and Judgments

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

In FY2023, Clothing Sales have been considered as a fundraising activity alongside other sales activities (Bar and BBQ).

Registration fees

All registration fees are brought to account in the year to which they apply as and when received from the members. Capitation fees, due to Surf Life Saving New South Wales Inc and Sydney Northern Beaches Surf Life Saving, are remitted as and when invoiced and shown as a separate expenditure item.

Donations and sponsorship income

Donations & sponsorship income is recognised when amounts are received or receivable.

Grants

Grants are recognised in the same period as the related expense or asset is recognised. Grants received in advance are shown as deferred income.

Government Assistance

Government assistance represents JobKeeper payments and other COVID-19-based funding from the NSW Government, appearing in the F2022 comparatives.

Cash at bank

Cash at bank and term deposits represents monies deposited with Bank of Queensland.

Inventories

Inventories have been valued at the lower of replacement cost and net realisable value.

Property, plant and equipment

- i. Property, plant and equipment are carried at cost, independent of directors' valuations.
- ii. Over the years, NSSLSC has collected considerable memorabilia. These memorabilia were originally recorded at a nominal value but has subsequently been fully depreciated to zero - hence the financial accounts do not ascribe any value to memorabilia assets
- iii. The cost of the day to day servicing of property, plant and equipment is recognised in the profit and loss as incurred
- iv. Depreciation rates are defined according to useful lives in NSSLSC's Treasury Policy and for each major class of asset are:

ASSET TYPE	EXAMPLES	USEFUL LIFE	ANNUAL DEPRECIATION
BBQ and Bar Equipment	Beer taps, fridges, BBQs	5 years	20.0%
Board and Ski	Rowing boards, skis, nipper boards	6 years	16.7%
Gymnasium	Weights and machines	10 years	10.0%
IRBs and Motors	IRB hulls, motors, trailer, buoys	5 years	20.0%
IT / Entertainment	Computers, Printers, TVs	3 years	33.3%
Lifesaving Equipment	Day/deck units, radios, manitias	4 years	25.0%
Furniture and Fixtures	Lockers, furniture, installations	10 years	10.0%
Surfboats	Boats, oars, trailers	5 years	20.0%

NOTE 2 – RELATED PARTIES

Transactions with committee members or their committee-member related entity occurred within a normal member or supplier relationship on terms and conditions no more favourable than those

which it is reasonable to expect that the entity would have adopted if dealing with the committee member or their committee-member at arms-length in the same circumstance.

All key management personnel (NSSLSC Directors and Officers) are not compensated in those roles.

NOTE 3 – SEGMENT INFORMATION

NSSLSC derives revenue primarily from its members, sponsors, and fundraising activities to support its role in providing beach life saving services and operations. NSSLSC's activities are principally carried out at Manly Beach in NSW.

NOTE 4 – SUBSEQUENT EVENTS

Our Lifesaving Services Agreement is on similar terms and levels as this past season and we continue to operate under the same terms and conditions as per our license agreement, now expired.

NOTE 5 – RECONCILIATION OF CASH AND CASH EQUIVALENTS

Cash at the end of the reporting period, as shown in the statement of cash flows, is reconciled to the related item in the statement of financial positions. It includes both cash at hand and monies at bank and represented here:

Reconciliation of cash and cash equivalents	F2023	F2022
Cash on hand	1,100	750
Cash at bank	304,744	319,897
Bank term deposit	527,154	476,604
Account balance	832,998	797,250

NOTE 6 – SPECIAL PURPOSE FUNDS

The Future Fund had its origins through donations and bequests made to NSSLSC. Its purpose is to provide a future means of funding and promoting strategic club activities.

This year's contribution was made up of interest earned by SPF monies, a surplus from the 2023 Ocean Swim, and a further contribution from NSSLSC's operating surplus agreed by the Board.

NOTE 7 – PROPERTY, PLANT AND EQUIPMENT

NOTE 8 – FUNDRAISING STATEMENT FOR THE 12-MONTH PERIOD ENDED 31 MAY 2023

Funds were provided through the following activities and events:

TYPE OF FUNDRAISING	Revenue	Expenses	Net Surplus (Loss) F2023	Prior Year
Donations	24,139	3,650	20,489	43,122
Sponsorships	6,000	1,566	4,434	18,038
Bar Sales	17,664	6,873	10,790	5,862
BBQ Sales	88,639	44,554	44,084	21,293
Clothing Sales	12,433	15,525	-3,092	3,283
Carnival Hosting	21,146	1,604	19,542	24,306
Ocean swim	15,277	5,361	9,916	-1,064
Hall Income	19,333	0	19,333	21,516
Other Fundraising inc Raffles	18,027	4,031	13,996	16,926
Total	222,657	83,165	139,492	153,282

Note: The reporting period end date was changed from 30 April to 31 May last reporting period to comply with the Club's Constitution. The Prior Year figures are for a 13-month period and hence are not directly comparable with the figures for 2023.

Income from fundraising was applied to the following functions and activities:

APPLICATION OF FUNDRAISING SURPLUS	Amount
Administration	7,883
Facility Cleaning & Maintenance	26,812
Equipment, Consumables and Servicing	19,006
Member Clothing & Uniform	11,997
Club Property and Functions	13,086
Insurances	7,613
Utilities	9,272
Surf Sports Coaching	17,000
Acquisition of new assets	26,823
Total	139,492

NOTE 9 – OPERATING INCOME

	F2023	F2022
Membership	66,937	58,550
Rental income (Surf School & Surfcam)	21,712	24,019
Competition	8,891	5,824
Training and education	5,492	3,000
Profit on Sales of Fixed Assets	236	1,454
Sundry income	2,388	45
Total operating income	105,656	92,991

Note: The reporting period end date was changed from 30 April to 31 May last reporting period to comply with the Club's Constitution. The figures shown for 2022 are for a 13-month period and hence are not directly comparable with the figures for 2023.

NOTE 10 – OPERATING EXPENSES

	F2023	F2022
Club Section Expenses	131,120	160,123
Membership Expenses	41,527	58,042
Equipment, Consumables & Repairs	19,006	32,157
Employment Expenses	68,989	66,753
Sundry Expenses	1,598	3,171
Overheads	86,698	83,013
Administration	7,883	8,039
Property & Function Hosting Costs	39,898	38,737
Capitation & Insurances	29,644	28,816
Utilities	9,272	7,421
Total operating expenses	217,818	243,136

Note: The reporting period end date was changed from 30 April to 31 May last reporting period to comply with the Club's Constitution. The figures shown for 2022 are for a 13-month period and hence are not directly comparable with the figures for 2023.

NOTE 11 – CASH FLOW INFORMATION

Reconciliation of cash flow from operating activities with net profit

	F2023	F2022
Profit for the year	45,745	79,502
<u>Adjust for non-cash items</u>		
Depreciation	34,520	26,491
Deferred Income (increase)	-50	23,250
Sub-total	80,214	129,244
<u>Adjust for investing activities shown separately</u>		
Less profit on sale of fixed assets	-236	-1,454
Less interest received	-7,271	-3,021
Cash flow before movement in working capital	72,707	124,769
<u>Movement in:</u>		
Trade debtors (decrease)	7,356	11,250
Inventory (decrease)	3,469	6,357
Trade creditors (decrease)	-23,883	290
Adjustments	-27	-9,720
Total Working Capital impact	-13,085	8,177
Net cash flow from operating activities	59,622	132,946

Note: The reporting period end date was changed from 30 April to 31 May last reporting period to comply with the Club's Constitution. The figures shown for 2022 are for a 13-month period and hence are not directly comparable with the figures for 2023.

Adjustments for F2022 are primarily Bar Sales collected on behalf of Surfing NSW for the NSW Surfing Pro in May 2022, not yet paid out at year-end.

Independent Auditor's Report
To the Members of North Steyne Surf Life Saving Club Inc.

Opinion

I have audited the financial report of North Steyne Surf Life Saving Club Inc., ("NSSLSC"), which comprises the statement of financial position as at 31 May 2023, the statement of comprehensive income and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement of members of the committee.

In my opinion, the accompanying financial report of NSSLSC is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of NSSLSC's financial position as at 31 May 2023 and of its financial performance and cash flows for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

I also report that in accordance with the *Charitable Fundraising Act 1991 and Charitable Fundraising Regulations*:

- a) the accounting and associated records have been properly kept during the year.
- b) monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied; and
- c) at the date of this report there are reasonable grounds to believe the club will be able to pay its debts as and when they fall due.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Club in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the directors, would be in the same terms if given as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter – Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Responsibilities of Management and the Directors' for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the relevant Australian Accounting Standards in accordance with the *Australian Charities and Not-for profits Commission Regulations 2013*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and *Charitable Fundraising Regulations* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing NSSLSC's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless management either intend to liquidate NSSLSC or to cease operations, or have no realistic alternative but to do so.

The directors of NSSLSC are responsible for overseeing NSSLSC's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the

disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the directors regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Independence

In conducting this audit, I have complied with the *APES 110 Code of Ethics for Professional Accountants*.

Dated 25 June 2023

Statement by Principle Officers of the Board

This declaration is made in accordance with the NSW Charitable Fundraising Act 1991 and the Charitable Fundraising Regulations.

The Board of the North Steyne Surf Living Saving Club Inc. ("NSSLSC") had determined that the club is not a reporting entity and that the special purpose financial report should be prepared in accordance with accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board, the financial report as set out in the preceding pages:

1. Presents a true and fair view of the state of the affairs of NSSLSC as at 31 May 2023 and performance for the 12-months ended on that date with respect to fundraising appeals;
2. The provision of the Act, the Regulations under the Act and the conditions attached to the fundraising authority have been complied with by NSSLSC;
3. The internal controls exercised by NSSLSC are appropriate and effective in accounting for all income received and applied by NSSLSC from its fundraising activities;
4. At the dates of this statement, there are reasonable grounds to believe that NSSLSC will be able to pay its debts as and when they become due and payable; and
5. The financial statements and notes satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012.

This declaration is made in accordance with sub-section 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2013.

Christine Gibbs Stewart,
President

Shannon Job,
Treasurer

Dated 25 June 2023

Carbon Reporting Estimate

In line with SLS strategic objectives and NSSLSC's own environmental focus, NSSLSC has taken steps to monitor and estimate its carbon footprint in F23 for the first time. NSSLSC has a strong incentive to champion responsible environmental management, not just as custodians of the middle third of Manly beach as an important community asset, but also as a likely frontline impact of projected sea level rises driven by climate change.

NSSLSC has adopted principles from the Global Green House Gas Protocol (GHGP), the leading international initiative to standardise emissions reporting for organisations.

NSSLSC's emissions¹ reporting is intended as an estimate to guide future internal decision making only. While reasonable efforts have been made to adhere to the GHGP requirements, our non-financial reporting is not governed by internal controls and has not been subject to independent assurance.

The GHGP separates emissions reporting into three scopes²:

1. Scope 1: emissions from NSSLSC's direct operations including transport
2. Scope 2: NSSLSC's electricity consumption and associated utilities
3. Scope 3: upstream and downstream emissions from supplier and customer activity related to NSSLSC—for example, emissions that went into producing goods purchased by NSSLSC.

SCOPE 1 EMISSIONS

NSSLSC's Scope 1 emissions are confined to goods produced for sale on its BBQs, plus transport related to SLS events (e.g. carnivals).

Scope 1 Activity	GHGP Method	Estimate (t CO2e)	LY Comparator
BBQ Production ³	n/a – direct estimate	5.10	not available
Transport ⁴	n/a – direct estimate	6.21	not available

SCOPE 2 EMISSIONS

Scope 2 Activity	GHGP Method	Estimate (t CO2e)	LY Comparator
Electricity ⁵	Corporate Standard – Scope 2 Guidance amendment 2023	16.41	not available
Other Utilities	Category 1 Supplier-specific Method	0.24	not available

¹ Emissions in all Scopes are reported as Carbon Dioxide equivalents (CO2e), incorporating other GHGs.

² For further information, refer to the GHG Protocol website: <https://ghgprotocol.org/>

³ NSSLSC total gas use considered for calculation; other inputs to production, such as procured raw materials, are considered as part of Scope 3 reporting.

⁴ In-scope transport activities only consider those directly ordered or arranged by NSSLSC: BBQ Operations plus road transport of NSSLSC equipment to State and National Titles. Private transport by volunteer members of themselves/families to events is not considered part of NSSLSC's emissions footprint.

⁵ NSSLSC building electricity, at 85% of total building per Northern Beaches Council-approved estimate.

Carbon Reporting Estimate continued...

NSSLSC's Scope 3 emissions are separated into waste disposal and purchases of goods & services.

Scope 3 Activity	GHGP Method	Estimate (t CO ₂ e)	LY Comparator
Waste Disposal	Category 1 Average-Product Method	113.30	not available
Purchased Goods & Services	Category 1 Average-Spend Method	54.51	not available
Fixed Assets	Category 2 Average-Spend Method	6.66	not available

NSSLSC ESTIMATED EMISSION SUMMARY

GHG Emission Scope	Estimated CO ₂ e (tonnes)	vs LY (%)
Scope 1	11.31	not available
Scope 2	16.65	not available
Scope 3	174.47	not available
TOTAL	202.43	not available
