1. Select *eLearning* from the options along the top of the screen.

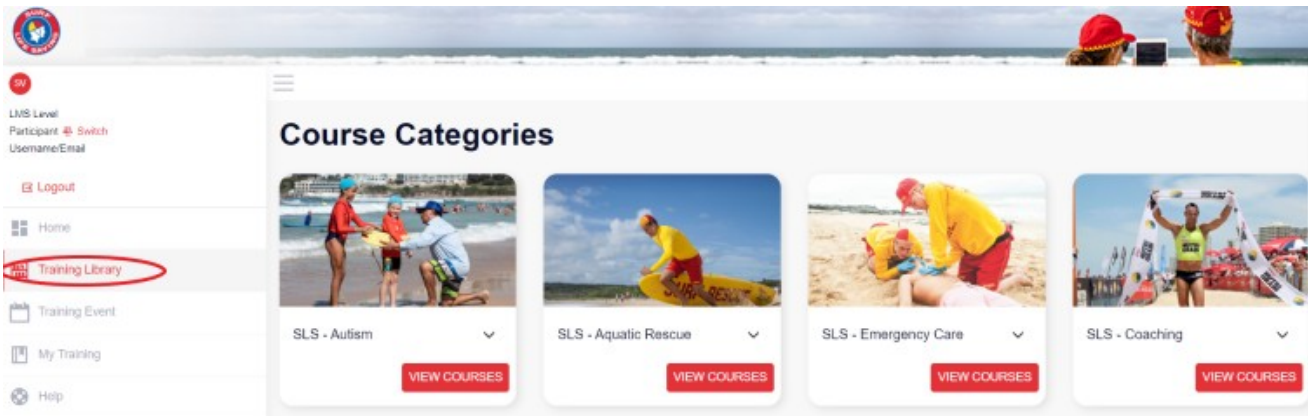

2. All active, patrolling members in NSW, QLD, TAS and SA will have the Skills Maintenance online course automatically assigned to them prior to the 1st September. These states should follow from step 3-4. Other members can follow steps 5-7.
3. Once you are on the eLearning page, from the options on the left select *My Training*.

4. Once you have selected the *My Training* option, all the courses in which you are enrolled will appear. Press on the *Start* button. This will take you to all the modules that you need to complete for your skills maintenance, you must complete each module and the theory questions for the eLearning component to show as complete.

Note: Some members will not have been automatically enrolled into the course. If you can't find the course in your *My Training* then you need to enroll into the course yourself, you can do this by following the remaining steps below.

5. From the options on the left select the Training Library option. This will take you to all the courses available for enrolment.

6. Look for *SLS – Skills Maintenance* and select *View Courses*
7. Select the course in which you wish to enroll, press on the *Enroll* button. You must complete each module and the theory questions for the eLearning component to show as complete.

Note: Now that you are enrolled in the course it will now appear in your *My Training* area, to access the course again, follow steps 3-4 above.

If you have any issues with your eLearning, please check out the eLearning User Guide and FAQ at help.sls.com.au eLearning, please lodge a support ticket at support.sls.com.au
